Dear Sir:

In the February 9, 2005 Office Action and again in the August 10, 2005 Notice of Allowance, the Examiner offers reasons why the claims of the present application are allowable over the prior art of record. Although Applicants agree that the various claimed limitations mentioned in the claims are not taught or suggested by the prior art taken either singly or in combination, Applicants wish to emphasize that it is the language of each claim, including the interrelationships and interconnections between various claimed elements which is allowable over the prior art of record, and not the Examiner's

paraphrasing of claim features which may not be present in any of the allowed claims.

Respectfully submitted,

HARNESS, DICKY & PIERCE, PLC
